March 23, Spring Auction

A Win-Win Night Out!

Take your family and friends out to dinner at **Bridget Foy's Restaurant on Tuesday, February 7**. Not only will you enjoy a great meal, but also **Bridget Foy's will donate 15% of all food sales to St. Peter's School!**

Bridget Foy's, a cornerstone of the neighborhood for 34 years, wants to thank the community for all of the wonderful years of support, so mark February 7 on your calendars. Everybody is a winner - **St. Peter's School and Bridget Foy's!**

Dear Parents,

All of our classes at St. Peter's hold many interesting, exciting events each year to which we are proud to invite our students' parents. However, due to space constraints, academic time lost, and distraction to the class holding the event, children should no longer be removed from their own class to attend events held by the class of a sibling. Wherever and whenever possible and appropriate, the School will arrange for each grade to visit exhibits and events as a group, thereby permitting children to see the work of their siblings without missing important instructional time.

The exceptions to this are Declamations and Music Recitals, where it would not be possible for classes to visit as a group. If you would like to bring a child from another division to hear his or her sibling at one of these events, feel free to do so.

As always, thank you for your support and cooperation.

Sincerely,

David J. Costello

Just 9 weeks away until the St. Peter's School Annual Auction **Great Expectations!** Save **March 23** on your calendars for a fun night of dinner and bidding on live and silent auction items.

In addition to being an enjoyable evening for our community, it is also an important source of funding for the School. Last year's net proceeds were directed to ongoing initiatives, the high speed internet connection that significantly increased bandwidth across the School, and the new mobile TV/ AV carts that bring technology right into the classrooms. What great tools to help our school continue to provide academic excellence and stay true to its core principles: preserving and protecting childhood, rigor, small class size, looped curriculum, and leadership.

For this year's auction, the net proceeds will be directed toward the following:

- Ongoing initiatives
- 7 new FOSS (Full Option Science System) equipment kits and supplemental readers to complete the new Lower School Science initiative started in September, 2011.
- 3 Labquest Science packages which include: pH, light, dual-range force, and magnetic field sensors; conductivity probes; state-of-the-art laptops; accompanying software and reading materials.
- Heat Seal Ultima 65 Laminator for maintaining and preserving classroom materials and projects.

On behalf of St. Peter's School, **thank you** to the following corporate sponsors who have stepped forward to support the School again this year! *(as of 1/18/2012)*

Gold: Bellevue, Moore Brothers, PNC Bank

Silver: Paper on Pine

Bronze: JuriStaff, The Safeguard Group

If you would like to be a sponsor, please contact Kate Donato, Auction Chair, katedonato@msn.com, [215-668-3553](tel:215-668-3553)

New Lunch Options for St. Peter's School!

Dear Parents,

For those of you who ordered lunches for your children this week, we hope they enjoyed them as much as we enjoyed making their lunches. If you have any suggestions or requests, please do not hesitate to contact me at [267.304.1910](tel:267.304.1910) or olivelunchboxsp@yahoo.com. In response to parent requests, we are increasing the flexibility of the lunch program. You may now order lunches as often or as little as you would like. You are no longer required to order them for a minimum of three days. If one day a week works for you, that will work for us.

We have one request from you: if ordering lunch for your child, it is extremely important that you fill out the entire form, **including the Teacher's Name and Grade**. We do not know what class your child is in. If this information is not included, there will be a delay in the time in which your child's lunch is delivered. **So please complete entire form!**

We look forward to preparing your children's lunches and hope you will contact us if any issues or questions arise.

Many thanks!

Sincerely,

Christine Fisher
