# LEADER IN TRAINING PROGRAM

(Sixth through Ninth Grade)

Looking to build various administrative and teaching skills in an educational environment? Learn how our Summer Program operates as you assist teachers and staff with daily duties such as setting up spaces, supervising students, preparing materials for lessons, cleaning/organizing, and similar duties that arise.

Leaders in Training (LITs) will take part in daily meetings, weekly evaluations, and guided discussion with other LITs about successes and struggles they experience.

Led by our LIT Coordinator, students will have a unique experience—leaving with tangible skills and stories to build from in the coming years.

## APPLICATION PROCESS

Interested students should email Director of Summer Programs Bryan Kerr at [bkerr@st-peters-school.org](mailto:bkerr@st-peters-school.org).

All students must finish the application process by Friday, May 25, 2018.
